bothered footprint glows Makes controlled fears howling Heaven distance spiraling limits flurries queen fractals crystallizes isolation slam

[Verse 1]

The snow _____ white on the mountain tonight
Not a _____ to be seen
A kingdom of _____.
And it looks like I'm the _____.
The wind is _____ like this swirling storm inside
Couldn't keep it in, _____ knows I tried

[Pre-Chorus]

Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, don't let them know
Well, now they know

[Chorus]

Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and _____ the door
I don't care what they're going to say
Let the storm rage on
The cold never _____ me anyway

[Verse 2]

It's funny how some _____
_____ everything seem small
And the _____ that once _____ me
Can't get to me at all

[Pre-Chorus]

It's time to see what I can do
To test the _____ and break through
No right, no wrong, no rules for me
I'm free

[Chorus]

Let it go, let it go
I'm one with the wind and sky
Let it go, let it go
You'll never see me cry
Here I stand, and here I'll stay
Let the storm rage on...

[Bridge]

My power _____ through the air into the ground
My soul is _____ in frozen _____ all around
And one thought _____ like an icy blast:
I'm never going back, the past is in the past!

[Chorus]

Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone
Here I stand in the light of day
Let the storm rage on!
The cold never bothered me anyway
