## KSI ft. Lil Wayne

Digital Farm Animals / All Over The Place (Deluxe)

[Intro: KSI]

Ooh-ooh, ooh, ooh-ooh, Ooh-ooh, ooh, ooh-ooh

[Refrain: KSI]

I'm gon' need \_\_\_\_\_

'Cause you're not here with me

Light me up like \_\_\_\_\_, yeah (Yeah, yeah, yeah)

I don't do guarantees

[Pre-Chorus: Lil Wayne] I, I, I-I, Wish I could lie

[Chorus: Lil Wayne]

You got me fallin' thinkin' of you (Thinkin' of you)

But that's the one thing I shouldn't do (I shouldn't do)

I, I know the truth (Know the truth)

I, I know that you're just one more thing to \_\_\_\_\_

[Verse 1: Lil Wayne]

Uh, she loves me, she loves me not, \_\_\_\_\_, I'm  
runnin' out

Walkin' all over me, made me her stompin'  
\_\_\_\_\_

Baby, you f\*\*\*\*d around, gave me the run-around

Makin' me \_\_\_\_\_ how crazy and dumb I sound

Takin' me up and down, baby, I'm comin' down

I'ma need some \_\_\_\_\_, I'm buggin' out

Stay for \_\_\_\_\_ round, maybe she'll come around

She gon' have me turnin' in my grave when I'm  
\_\_\_\_\_

Sore loser, I saw you with him, I almost threw up

Don't \_\_\_\_\_ her, don't talk to her

There's plenty fish in the sea and I'm a \_\_\_\_\_, just  
like Mark Cuban

You got me fallin' for you

With no wings on, no \_\_\_\_\_

Bring a star back for you

They say love's a lost art

I draw that for you and I fall back for you

[Chorus: KSI & Lil Wayne]

You got me fallin' thinkin' of you (*You got me fallin'*)

But that's the one thing I shouldn't do (*The one  
thing that I shouldn't do*)

I, I know the truth (Know the truth, *I know the truth*)

I, I know that you're just one more thing to \_\_\_\_\_

[Verse 2: KSI]

I be actin' odd, I know, I know

When I stare at you, I lose \_\_\_\_\_

And I'm hopin' you're not psychic (Psychic)

Hotter than the devil but you're \_\_\_\_\_ (Yeah)

I'm addicted to the whole of you (Whole of you)

\_\_\_\_\_ 'cause I needed more (More)

Stalling 'cause you know I fall

My whole \_\_\_\_\_ and all, the fact of me losin' you  
(You)

Comparin' and stuck in a loop (Loop)

Grow old 'til there's nothin' to do (Do)

I'm alone in this \_\_\_\_\_ and my story is endin' with  
you

[Pre-Chorus: Lil Wayne] I, I, I-I, Wish I could lie

[Chorus: KSI & Lil Wayne]

You got me fallin' thinkin' of you (You got me

fallin', *You got me fallin'*)

But that's the one thing I shouldn't do (I shouldn't  
do, *The one thing that I shouldn't do*)

I, I know the truth (Know the truth, *I know the truth*)

I, I know that you're just one more thing to \_\_\_\_\_

[Refrain: Lil Wayne]

I'm gon' need \_\_\_\_\_ (Oh, no)

You naked next to me (Oh, oh, yeah)

Light me up like \_\_\_\_\_, yeah (Yeah, yeah)

No, I don't do guarantees (Guarantees)

[Outro: Lil Wayne] I, I, I-I, Wish I could lie
