

# A whole new world

<https://youtu.be/EXTLJmYsaUQ?si=EY6Ze2vMOuQ8oOPy>

I can show you the world    Shining, (            ), (            )  
Tell me, princess, now when did You last let your heart decide?  
I can open your eyes            Take you (            )  
Over, sideways and under    On a magic carpet ride

A whole new world    A new fantastic point of view  
No one to tell us no    Or where to go Or say we're only dreaming

A whole new world    A (            ) place I never knew  
But when I'm way up here It's (            ) clear  
That now I'm in a whole new world with you  
    Now I'm in a whole new world with you  
Unbelievable sights Indescribable feeling (            ,            ,            )  
Through an endless diamond sky  
A whole new world  
Don't you dare close your eyes    A hundred thousand things to see  
    Hold your breath - it gets better I'm like a shooting star  
I've come so far I can't go back to where I used to be  
A whole new world    Every turn a surprise  
With new horizons to pursue Every moment (            )  
I'll chase them anywhere There's time to spare  
Let me share this whole new world with you  
A whole new world That's where we'll be  
A thrilling chase  
A wondrous place  
For you and me
