verse

Taste the moment, taste the (1)
Taste my lips and morning mist
We're here again
Here we are
Keep your (2.), keep your urges
Keep my secret, naked skin
I know the end
I know (3)()()

pre-chorus

Had a dream once, I dreamed of (4)
A shroud of (5) covered me

chorus

(6) out, here it comes
Falling down off the surface of the (7)
Here it comes
It's the (8) part
Crying fire

verse

Come this hour, come together
Come with me, we're almost there
It's only (9)
Stay awake
To the launch pad, to the (10)
To the stars, it's something else
I'll show the way
I will find a way
