【Verse1】

It always starts with a "(1.) "
Turns into "How was your day?" (how was
your day?)
Turns into "Meet at (2.) () "
Turns into you and me drinking rosé
Turns into "How did you sleep?" (how did you
sleep?)
Turns into "It's been a week" (week)
Turns into gave you a key
Turns into conversations talking 'bout what
are we?

【Pre-Chorus】

I, found a thing when I wasn't even looking for
a thing
I, keep thinking about it in my brain

【Chorus】

How I'm 'posed to know (3.) () ?
(How deep)
How I'm 'posed to know how deep I'd fall?
Stuck up on my arm, IV
Didn't mean to take that leap, (4.) ()
How I'm 'posed to know how deep?
How I'm 'posed to know how deep I'd fall?
How'd you make (5.) () skip beats
Didn't mean to take that leap, my fault

【Verse2】

I ain't saying I ain't into this
I'm thinking we could slow it down a little bit
In your place, but I'm feeling like I live in it
Butterflies in your stomach, got you giggling
"Can you really see us together?"
I think so
"Are you going to (6.) () () ?"
I don't know
Girl, if it was up to me, I'd take a time machine
Come back and tell you exactly where this goes

【Chorus】

【hook】

(Yeah)
My fault (it's my fault)
(Yeah, it's my fault)

【pre-chorus】

【chorus】

【hook 2】

(It's my fault, ayy, it's my fault, ayy)
(It's my fault, ayy, it's my fault)

【outro】

How I'm supposed to know how deep?
How I'm supposed to know how deep?
